PRINCIPAL'S MESSAGE

It gives me immense pleasure to bringing out the "VIDYA PRAVESHE-MAGAZINE" for the Session 2022-23.

Numours opportunities are required to be provided for young, creative and sensitive minds to put across their thoughts and ideas through learning by doing. This "Vidya Pravesh" will help the Tiny tots to sharpen their intellects and learning abilities. It will also boost the level of confidence which will help them for their smooth transition into school life. Our earnest attempt of this "Vidya pravesh Project" upholds transparency of activities, creativities and imaginations which catalyst innovative ideas in the overall development of tiny tots. The Glimpsis of activities shows that students have participated with ease and enthusiasm in all these activities.

Lastly, I congratulate the Head Mistress, Teachers and Students and their Parents for their sincere efforts in enhancing this new project "Vidya Pravesh".

MR. OM PRAKASH KASHYAP
VICE PRINCIPAL
(K.V.SURANUSSI)

VICE PRINCIPAL'S MESSAGE

It is a matter of great pleasure and pride for me to be associated with the team that has developed this comprehensive E-Magazine on transaction of "Vidya Pravesh" – a Three Month Play based School Preparedness Program for Grade-1 children.

The program has indeed given numerous opportunities to our tiny tots to prepare themselves to enter into the world of formal learning. Our team of devoted teachers have worked diligently to provide friendly environment to make children's entry in school education smooth, fearless and joyful.

I would like to take this opportunity to congratulate our worthy teachers and all the stakeholders for their tireless work and efforts during this period which indeed formed the basis of future learning for our new entrants.

MRS. SUNITA KUMARI
HEAD MISTRESS
(K.V.SURANUSSI)

HEADMISTRESS' MESSAGE

Vidyapravesh E-MAGAZINE is a source of pride for the students as well as teachers. Students are getting important opportunities to reveal their literary skills and showcase their extra-curricular pursuits. This magazine is another

step to develop the all round development and a creative vision among our children.

It gives me an immense pleasure by saying that this e-magazine is the mirror of all these activities.

Lastly, I congratulate my staff, students and their parents for their sincere efforts.

EDITORIAL BOARD

MS. ANSHU
(PRT)

MRS. RINKY NEGI
(PRT)

EDITOR'S MESSAGE

The spoke of the wheel of time have taken one full circle. The vidyalaya is all set to publish first VIDYA PRAVESTH e-magazine.

Education in Kendriya Vidyalaya has taken another turn. The focus in the native spirit in not to be last. Hence the pattern is revamped and revised. The myth that chalk and duster are the only tools of teaching learning is ended. Under this children are free to do and draw, compare and contrast, cull and create, laugh and learn, touch and tell, see and search and walk and wonder.

Let's the children turn out into firmly tuned beings, they are taken out of the boundaries and left open to think. We would like to express our heartfelt thanks to respected principal sir & HM ma'am for their constant support, all my team members for their dedicated endeavours. We thank our students and their parents for supporting us at every step and enthusiastically taking part in all the activities.

We both trust that year after year VIDYA PRAVESTH inspires our young learners to achieve more and more in their learning process.

VIDYA PRAVESH

VIDYA PRAVESH is one of the essential components of NIPUN BHARAT— National Mission on Foundational Literacy and Numeracy, an initiative of the Government of India. It follows a play-based pedagogy and promotes experiential learning with emphasis on the use of developmentally appropriate activities and local play materials. The foundational stage of children's life is crucial for their growth, holistic development and learning. Accessibility to equitable quality education at this stage is fundamental for developing foundational competencies related to health, wellbeing, language literacy, mathematical thinking and environmental awareness.

The objectives of the three-month preparation module are:

- To promote school preparedness in all children coming to Grade-1 from diverse backgrounds.
- To ensure a smooth transition of children to Grade-1 .
- To provide play-based, age and developmentally appropriate learning experiences in a joyful and stimulating environment leading to holistic development.
- To prepare children with the cognitive and linguistic competencies which are pre-requisite for learning to read, write and develop number sense through a play based approach.
